1990s-2000s 5-speed and 6-speed ATF (excluding E46 M3, E9X M3, Z4M) From the mid-1990s, nearly all BMW manual transmissions, except 6-speed M models, use a Dexron III ATF oil, indicated by an "ATF" label on the transmission.

Transmission and Differential Fluid for BMW

Changing your transmission fluid is very easy. It just takes forever to change because there are a lot of time wasted for the transmission to cool down and warm up. PS If you have a GM transmission, I have a BRAND NEW OEM transmission maintenance kit that I am willing to get rid. The cost at the dealer is around \$80-90.

How many Qts of ATF does tranny need - BMW E46 Fanatics Forum

Changing Manual Transmission & Differential Fluids: Easier Than You Think, More Important Than You Know. While all of us know the importance of regular engine oil changes - and the penalties of neglecting this common maintenance task - there are two other important fluid changes that we tend to ignore.

BMW DIY - Manual Transmission and Differential Fluid ...

I'm looking to change the transmission fluid in my 325i manual. The problem is, I don't want to put the car on jackstands. I would prefer to do this with the front of the car raised on ramps (I'll be changing the engine oil at the same time).

E46 Manual Transmission Fluid Change? Ramps? - Bimmerfest ...

All: I will be changing the transmission fluid and rear diff fluid along with a number of other preventive maintenance jobs next weekend. Anyway, I will be using Redline D4 ATF as per Redline instructions for the tranny fluid and 75w90 Redline gear oil for the rear diff. Two questions: 1. I'm a bit confused on which tranny my 04 6 speed zhp has--looking at Bentley, they list 4 tranny types: the ...

Transmission Fluid and Rear Differential Fluid capacities ...

Another weekend, another maintenance adventure. Had this Friday off and I decided to tackle some projects on the E46 2001 BMW 330i. Did an engine oil and engine oil filter change, engine air filter change, cabin air filter change, and fuel filter change, but the main event of the day was automatic transmission maintenance.
