The European Voyages of Exploration:  
Introduction. Beginning in the early  
fifteenth century, European states began  
to embark on a series of global  
explorations that inaugurated a new  
chapter in world history. Known as the  
Age of Discovery, or the Age of  
Exploration, this period spanned the  
fifteenth through the early seventeenth  
century, during which time European  
expansion to places such as the  
Americas, Africa, and the Far East  
flourished.
