Lawson User Guide

Lawson's documentation is available on their support site, and includes user manuals for all of their applications. Most organizations also develop process-specific documentation unique to their organizations as part of their implementation, using "conference room pilot" (CRP) scripts as the starting point. In other words, the Lawson documents explain in most cases how to perform a specific task, but don't necessarily provide the contextual "why" and "when" for all of the processes.
