This article is based on a symposium,
convened during the 30th Annual
European College of
Neuropsychopharmacology Congress
(September 2017, Paris, France), which
sought to discuss the implications of the
DSM-5 approach to classifying mood
disorders, in terms of diagnosis and
treatment, with a particular focus on the
challenges associated with ...

Symposia Proceedings - IUTAM

The IAEG holds an international congress every four years, hosted by a country with a national group. Additionally, an international meeting is organised by the IAEG, in many cases on the occasion of, and in conjunction with, the International Geological Congress (IGC). National groups are encouraged to organise symposia on specific engineering geological subjects, under

Proceedings - IAEG

Notes: Good+ hardcover. Covers show light edge wear with light rubbing/soiling. Binding is tight, hinges strong. These differences will be noted in the item notes above. Fair/Acceptable: A Worn book that has complete text pages but may lack endpapers, half-title, etc. (will be noted).
