Over the Ocean

The World Ocean is the habitat of 230,000 known species, but because much of it is unexplored, the number of species that exist in the ocean is much larger, possibly over two million. The origin of Earth's oceans is unknown; oceans are thought to have formed in the Hadean eon and may have been the cause for the emergence of life.

Ocean - Wikipedia

A villa, but over the water. An over-water villa does exactly what its name implies. This is a villa rental, only perched right on top of sloshing H₂O. That could mean a surf shack lofted over the cobalt Bali Sea in Indonesia, or a traditional Mexicana cabana on stilts by the shimmering Caribbean coral gardens.
