### **Pro WPF and Silverlight MVVM on Apple Books**

WPF and Silverlight are unlike any other user interface (UI) technologies. They have been built to a new paradigm that&#151;if harnessed correctly&#151;can yield unprecedented power and performance. This book shows you how to control that power to produce clean, testable, maintainable code...

### **Pro WPF and Silverlight MVVM: Effective Application ...**

This book was conceived from a need to explain the MVVM pattern and how it helps structure WPF and Silverlight applications. I had worked on a number of projects where these technologies were used but general best practices were ignored because no one had formally explained the MVVM pattern and how it compared to other patterns such MVP and MVC.
