## **The Decline Of Constitutional Democracy**

Now brought back into print as a member of Equinox Publishing's Classic Indonesia series, The Decline of Constitutional Democracy is considered to be the definitive study of Indonesia in the 1950s and will be of great interest to the growing number of social scientists concerned with the pre-industrial nations and in particular with their efforts to use and adapt Western political institutions. This is a solid and scholarly account, but, writing on the basis of much personal observation, Dr ...

During the ratification debates, one Antifederalist predicted that if the Constitution were adopted, the republican government would exist in appearance only. They used Rome as an example. In Rome, it declined amid great malice and violence, but it took a century before the decline began in this country. There was no violence here.
