organisations to take action against an EU institution, if they feel it has somehow infringed their rights.

Court of Justice of the European Union (CJEU) | European Union

The Court of Justice, informally known as the European Court of Justice, is the supreme court of the European Union in matters of European Union law, and is considered by many 'the most powerful and influential international court that is realistically possible'. As a part of the Court of Justice of the European Union, it is tasked with interpreting EU law and ensuring its equal application across all EU member states under Article 263 of the Treaty of the Functioning of the European Union. The

European Court of Justice - Wikipedia

Court of Justice of the European Union. The General Court dismisses an action seeking a declaration that the European Council unlawfully refused to exclude the Czech Prime Minister, on the basis of an alleged conflict of interest, from the meetings of that institution concerning the adoption of the Multiannual Financial Framework of the European Union 2021/2027
